The Ghats of Kolkata

Ganga, the divine artery of Kolkata, from ages thronged with offerings, sacrifices and sacraments made to her sacred identity. The Ghats of Kolkata are the threshold of this devotion. They build the history, the rituals, learn from them, and imbibe wisdom. The Ghats imbibe the life force of the city, the life energy that Kolkata Port has been witnessing through the years. Here are the glimpses of a sacred belief (Ganga along the Hooghly).
